

**Biblical Studies** involves students in the discovery of the drama of covenant history progressing from Genesis through Revelation, where they see the promises of the Old Testament and the fulfillment in Christ in the New Testament. Students come to take hold of a biblical view of human beings, created as image bearers of Christ.

Salvation, grace, faith, covenant, kingdom, church, world, salvation, judgment, law, and gospel are biblical themes that give students a personal encounter with God. Our goal is to help students find their place in God's story.
