

Deuteronomy 6: 5-7 says:

*Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. **Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.***

Parents are called to thoroughly instruct their children about God's ways.

Proverbs 22:6 says, "Train a child in the way he (or she) should go, and when he is old he will not turn from it."

Christian schoolteachers work together with parents and with Jesus to help students grow in their knowledge and understanding of their Lord. Christian Schools view every aspect of the educational program, both curricular and non-curricular through a Christian perspective. The goal of Christian education is to help lead children to the wisdom of God and to prepare each one to lead a Christian life. Learning is much deeper than facts and theories. It teaches children to see the wonder of God's creation, and helps students gain an understanding of their role as image bearers and faithful stewards in God's world.
