HANDBOOK

“Learning, Loving, Living For Our Lord.”

Rocky Christian School

Welcome to the Rocky Christian School community of believers. We are thankful that your child/children is/are a part of Christ-centred education. Together, as home, church, and school, we seek to prepare children for a Christian life.

We believe that a Christian education is an extension of the home. Therefore, we need to support and encourage one another as we seek to guide students. The information in this handbook is intended to assist parents, teachers, and students in understanding and supporting the practices and procedures of Rocky Christian School.

VISION STATEMENT

Under the guidance of the Holy Spirit, the home, church, and school will work together to equip students to live lives that honour and serve God and contribute to society in positive ways.

MISSION STATEMENT

Rocky Christian School is a non-denominational community of Christian believers dedicated to developing and pursuing excellence in Christ-centred education.

VOLUNTEER OPPORTUNITIES

We are thankful for the students and families the Lord has provided. Since fair share contributions and government funding do not cover all the costs of educating students, we depend on volunteers to be involved in the ministry of the school. There are many areas where you can contribute your time and talents. By volunteering, you contribute to building God's kingdom as we seek to nurture and prepare our students for the type of citizens who will contribute to society in God-honouring ways.

Following is a list of opportunities to strengthen RCS programs:

1. Classroom Help
 - a. Reading with students. In keeping with School Division policy, for this we require a criminal record check and an intervention record check which we will keep on file.
2. Extra-Curricular activities
 - a. Coaching: RCS is a part of the WRSD sports league. We often need volunteer coaches and assistants. RCS typically has teams in volleyball, basketball, hockey, badminton, soccer and track and field. Coaches must read and sign the coaches' policy and the extra-curricular sports policy, and provide criminal record checks and an intervention record check.
 - b. Refereeing: All games require officiating. WRSD and the Christian school league both have a hard time getting officials. Some referees are paid on a per game basis.
 - c. Opportunities also in our Career and Technologies Foundations course, organizing a ski trip, and with musical sets, costumes, sound, and lighting.
3. Library - Working with classes, managing books and records.
4. Laundry
 - a. Sick room sheets, dish towels in the home economics room and staff room need to be taken home and to be washed and returned. We have a good supply of towels and sheets. We need someone to take the dirty ones home once a week and leave the cleaned ones.
5. Recycling: Bottle recycling as required.
6. Milk Program: Ordering and distributing milk for daily student consumption.
7. Hot Lunch: A crew of four to five people comes in monthly at about 10:00am and are finished by 1:30pm on a hot lunch day.

8. Volunteer Drivers
 - a. We often require volunteer drivers for field trips and for team sports
 - b. The following is required for volunteer drivers for any situation where parents will be driving students other than their own children:
 - i. Criminal Record Check & Intervention Record Check must be on file at the school
 1. these checks may be picked up by the parent from one school to deliver to their child's new school
 2. please note that a criminal record does not automatically disqualify someone from volunteering at the school. In the case of a volunteer showing a criminal record, in consultation with senior leadership and based on the individual case, permission may be granted to allow volunteerism, with specific duties. eg: a drunk driving conviction would not disqualify someone from volunteering as a chaperone on a field trip but would not be appropriate as a volunteer driver
 - ii. A current (within 12 months) Driver's abstract must be on file at the school
 1. drivers with more than 6 demerits are not permitted to drive on school sponsored activities
 2. The school will cover the cost of obtaining Driver's Abstracts. Please submit receipts
 - iii. Proof of a minimum of \$1,000,000 liability insurance coverage on file at the school
 - iv. Drivers must be over 21 years of age.
9. Committee Work:
 - a. Fundraising and Promotions: Catering Club activities and other fundraising activities. Help with parade, Grandparents' Day, Pancake Breakfast, Year-End BBQ, etc.
 - b. Capital Management:
 - i. Painting and repairs as needed. Summer painting: Watch for the work-bee dates. The goal is to paint the entire school on a 5-year rotation. Some classrooms are painted more often if they need it.
 - ii. Grass cutting as needed.
 - iii. Snow removal from parking lot and sidewalks.
 - iv. Qualified carpenters, plumbers, and electricians are always needed

It is essential that we all work together as a team. Our school will be blessed as we contribute our time, talents and prayers to a common goal of making RCS a spiritually and academically strong Christian school.

"The body is a unit; though it is made up of many parts; and though all its parts are many, they form one body." 1 Corinthians 12:12

DONATIONS and CHRISTIAN PROGRAM FAIR SHARE CONTRIBUTIONS

CHARITY IS INDISPENSABLE: To uphold the tradition and the spirit of shared responsibility, it is vital that financially-gifted families contribute in extra measure to Rocky Christian School.

Donations constitute a significant portion of the school society's annually budgeted revenue. Every family that can afford to pay its full contribution is encouraged to assess its ability to make extra contributions. Donations from others in "God's family of believers" are encouraged and much appreciated. Rocky Christian School and members of lesser means are dependent on the individuals, couples and families that are faithful in their financial support.

Donations are seldom directly solicited from individuals or families. When funding requirements arise, the entire Society is notified through the school newsletter. All society members should at these times, as well, evaluate their ability to make extra contributions to the school.

Rocky Christian School Society is a registered charity. All eligible contributions are acknowledged with a donation receipt for tax purposes.

The members of this school society have always considered themselves a family; brothers and sisters in Christ who are responsible together for the "nurturing in the faith" of the children born into this family. Out of this came the position that the cost of Christian education is a responsibility to be shouldered together. Those who are financially blessed should contribute beyond the expressed contribution amount in aid of those unable to pay in full. While it is expected that Christian education will take a place of high priority in the lives of the families who send their children, no child will be denied a Christian education because his or her parents are unable to pay.

The Fair Share Contribution Amount is not optional. Even though we are blessed to be part of Wild Rose Public Schools and are funded as such, our school society still owns and maintains the Rocky Christian School building and continues to bear some responsibility for the cost of Christian professional development and programming.

Contribution amounts are discussed at the time of application for membership in the Society. Unless other arrangements are made, a family with children enrolled in Rocky Christian School will be expected to make regular (monthly) Fair Share contributions.

STUDENT CODE OF CONDUCT

Discipline gives structure to our relationships and makes it possible for us to understand that all our actions have consequences--sometimes positive, sometimes negative. The purpose then of this code of conduct is to build each other up so that in the end we function as disciples of Christ living in obedience to His word and will for us. Because of the brokenness of the world we live in, discipline carries with it a connotation of harshness and rigidity. No one likes to be disciplined. Yet all of us would agree that good discipline is essential to good education. The heart of good discipline is our relationship to God and to those around us. Establishing rules and guidelines in a discipline policy helps to ensure that all of us at Rocky Christian School understand what it means to love God and those we live with.

Discipline at Rocky Christian School will be characterized by the following descriptions:

- Discipline is scriptural.
- Discipline is redemptive.
- Discipline is up-building.
- Discipline is a consequence of action(s).
- Discipline should occur soon after the action precipitating it.
- Discipline should be consistently applied.
- Discipline should fit with the action precipitating it.
- Discipline should be progressive.
- Discipline's goal is self-discipline under God.
- Discipline is a product of love.
- Discipline should involve cooperation/communication with the home.

Appeal Process

The following represents the order in which to approach levels of authority if parents are not satisfied with actions taken:

1. Teacher
2. Administration

Work for resolution at the lowest level possible. Appeal to a higher level of authority should be made within fourteen days of a decision.

Books, binders, gym attire, pencil cases, phones, and all outer clothing should have the owner's name clearly marked. When working together in one building, articles are bound to be similar, lost, misplaced, left behind, or picked up in error. Students can also check the lost-and-found box for missing articles.

SERVICES AND PROCEDURES

A. Emergency Drills:

Fire Drills will be held six times per year and Lockdown drills twice per year in accordance with established procedures and division policy.

B. Health Services:

The school is visited regularly by the Health Nurse who checks all routine vaccinations and booster shots as a part of a regular immunization program, and is concerned in all matters of infection and contagion. The Health Nurse also provides a variety of programs for body care and maturation.

A health room is provided for students who become ill during school hours and who must be cared for there. In emergencies the family doctor will be called, and parent or guardians notified.

C. Hot Lunches:

Monthly hot lunches are served to all students for \$3.00. This service is optional.

D. Insurance:

Wild Rose School Division carries insurance to cover accidents to students during school hours or at school functions. Parents may also purchase additional accident insurance at their discretion.

E. Library:

The library is available under supervision to all students for research assignments, as well as for free reading.

F. Parent-Teacher Interviews:

Two times each year all parents will be given an opportunity to meet with their children's teacher(s) to discuss their progress. All parents and guardians are urged to take part.

The school also offers a standing invitation to any parent at any time to make an appointment for an interview with staff members or the principal to discuss concerns relating to their child's education.

G. Crossing Guards:

The duty of the patrols is to ensure the safety of students leaving the school grounds after school as they go to the buses. Patrols are chosen from grades five through nine.

H. Report Cards:

Three report cards will be given during the school year. Report cards are sent home in one envelope per family at the conclusion of each of the first two reporting periods. The final set is sent home on the last day of school. Parents are encouraged to communicate directly with the teacher when there are concerns or where support is needed.

I. School Operation in Inclement Weather:

a. Students and parents are reminded of the following points:

- i. If busses are cancelled a public announcement will be given on radio station CHBW 94.5 FM and posted on the school division website.
- ii. Parents are urged to insure that their children are warmly clothed, sufficiently to protect them in the event of an emergency such as a blizzard or a bus break-down.
- iii. Parents are requested to use care and good judgement when deciding whether or not to send their children to school when weather conditions are extreme or when there is danger of roads becoming blocked.
- iv. In poor weather it is wise for parents to see that their children board the bus and to meet them as they return.

J. Telephone:

- a. Messages may be left so that students can call home at break times. The office phone is available to students with teacher's permission and in cases of emergency. The office phone is not to be used to make social arrangements.

K. Picking up students during the school day

- a. Students who need to be picked up during the school day for appointments will remain in their classrooms until a parent, legal guardian, or approved adult has checked into the school office. From there the student will be paged. Valuable time is often wasted when children spend time out of class waiting for rides to arrive.
- b. Adults, other than custodial parents or legal guardians will require appropriate documentation (a note) to verify they have permission to pick up the child(ren) in question.
- c. For safety and legal reasons we need to know with certainty who is picking up the child(ren).
- d. Students must not be picked up in the bus lanes.

L. Emergency Parking

- a. Please do not park in the spaces labelled, "Emergency Vehicles Only" unless there is an emergency or bulky and heavy materials are being delivered.
- b. If there are no spaces available please park on the street.
 - i. Even short visits are a problem since we receive many short visits every day.

- c. In case of emergency, police, fire, and ambulance require easy access to the building via the “Emergency Vehicles Only” spots.

M. Visitors to the School

- a. While most visits to the school are welcome, and all who are interested in our community are heartily invited, we realize that for the safety of our students and staff we must establish some guidelines in order to determine when a visit is unwelcome. We encourage all visitors to make arrangements with us prior to visiting to assist us so that we might communicate to everyone concerned that a visit in question is appropriate.
- b. We recognize that we have a closed campus.
- c. We acknowledge that screening visitors will require making judgements, and sometimes we may judge incorrectly, but always erring on the side of safety.
- d. Visitors to the school must have a legitimate reason to visit. These include:
 - i. Visits by parents
 - ii. Visits by prospective parents
 - iii. All school division business

 - i. Visits to a student not approved by a custodial parent of that student
 - ii. Meeting up with a student who is a boyfriend or girlfriend
 - iii. Unfamiliar people dropping in without an appropriate reason
 - iv. Persons who can reasonably be expected to cause harm
- f. All visitors will be required to sign in at the office and wear a visitors pass for the duration of the visit to the school

N. Student Leadership Team:

- The student leadership team will be the representative arm of the student body, and as such will be responsible for the following kinds of activities (as well as any other deemed appropriate by the SLT together with the staff representative).
- a. Organization of fund-raising projects for school activities.
 - b. Organization and implementation of various community building or service activities and programs for the student body.
 - c. Representation of the views and concerns of the student body to the staff from time to time.

EXTRA-CURRICULAR ACTIVITIES

God has given us sports (a form of recreation) to enjoy when we rest from our labour. The Rocky Christian School extra-curricular sports program strives to include all participants. Our objective is to build Christian character, foster a healthy attitude towards sports, and to develop the skills in all participants. The extra-curricular sports program provides recreational opportunities for children. It also allows students to further develop attitudes that glorify God.

As Christians we enjoy God's gift of sports and strive to participate in a Christ-like manner. Our love for God must outshine our love for sports. The fruit of the Holy Spirit should be evident in our lives in the face of competition and pressure. We eagerly enter the realm of sport and recreation so that our children will be better equipped to glorify God in this area of life.

The goal of the extra-curricular sports program is to:

1. Allow children to gain knowledge and skills in sports.
2. Create an atmosphere where students need to cooperate for the sake of the team.
3. Provide opportunities for fitness and recreation.
4. Develop and demonstrate Christ-like behaviour in the face of competition and pressure.
5. Learn what it means to be a member of the body of Christ
Just as each of us has one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others. We have different gifts, according to the grace given us. Romans 12: 4-6a

Extra-curricular programs are open to all students, regardless of ability, who:

1. Are caught up with their assignments.
2. Are age and grade appropriate.
3. Are properly equipped.
4. Have fulfilled all disciplinary obligations.
5. Have demonstrated a commitment to the team.
6. Demonstrate an effort to perform to the best of their ability.
7. Demonstrate an effort to develop the necessary skills in PE classes and elsewhere.
8. Display good sportsmanship.

Normally fees will be charged to cover the costs associated with the sport.

Extra-curricular activities are school activities. School rules apply to, during, and from these events.

All participants (players, coaches, spectators) are expected to represent our school honourably and in so doing present Jesus to those watching. Actions and words which bring Christ (and Rocky Christian School) into disrepute will be reasonable grounds for exclusion of any participant from extra-curricular programs by the administration.
